LICENSE DEFINITIONS

Electrical Contractor	Is licensed to bid, plan, layout, install and supervise the installation of electrical wiring, apparatus, and equipment anywhere in the State of Nebraska.
Journeyman Electrician	Is licensed to install electrical wiring, apparatus, and equipment, and to supervise apprentice electricians, anywhere in the State of Nebraska.
Residential Journeyman Electrician, Type RW	Is licensed to wire for or install electric wiring, apparatus, and equipment for residential installations and to supervise apprentice electricians anywhere in the State of Nebraska. Residential installations are defined as installations intended for a single-family or two-family residential dwelling, or a multi-family residential dwelling not larger than three stories in height.
Fire Alarm Installer	Is licensed to plan, lay out, and install electrical wiring, apparatus, and equipment for only those components of fire alarm systems that operate at fifty volts or less, anywhere in the State of Nebraska.
Apprentice Electrician	Shall do no electrical wiring except under the direct personal on-the-job supervision and control and in the immediate presence of a licensee under the State Electrical Act. The licensee may employ or supervise apprentice electricians at a ratio not to exceed three apprentice electricians to one licensee.

ADDITIONAL INSTRUCTIONS – READ CAREFULLY

Reciprocal Applicants, Other States: Applicants for reciprocal licenses are required to submit a registration fee equal to the application fee plus license fee.

Approved Nebraska Municipal Examination Applicants: Applicants are only required to submit correct license fee.

State Licensing Applicants: Application fee must accompany this application. Refunds will not be made for processed applications, even if rejected.

Journeyman Electrician Applicants: Applicants are required to enclose a copy of the Associates Degree in Electrical Technology received from a post high school course, if the applicant intends to use it for the one-year work experience credit.

Residential Journeyman (RW) Applicants: Applicants are required to enclose a copy of the Associates Degree in Electrical Technology received from a post high school course, if the applicant intends to use it for the one-year work experience credit.

Work Experience Verification: Applicants must provide complete mailing addresses for current and previous employers. Incomplete addresses will be cause for application rejection. Verification letters from employers must be on company letterhead.

Review Failed Examination: There will be no review of failed exams by our office.

Application For Apprentice Registration: Must include current employer information.
